On the first Sunday of every month, communion is celebrated in worship. Because all are invited to the table, those in the Children's Worship Center will return to the sanctuary in order that children may celebrate communion with their families. Is there any reason that your child should remain in the church nursery during communion Sundays?

On occasion, a small snack may be offered to the children. Are there particular snack foods that your child does not eat (e.g., cheese, chocolate, pretzels.). If your child is allergic to specific foods, please be sure that is noted above.

What other information might be important for the FPC teachers/leaders to know?

Pagers are available in the church nursery if, at any time, you would like to know that you can quickly be contacted by church teachers/leaders
